change for a  
**ten**

That's why, in this 10th anniversary year of ART 180, we're asking for both: a \$10 donation along with your artistic vision for making your community a better place.

# 1 make

a statement. Make a donation. Cut out this template to create artwork about the kind of change you'd like to see in your community. Paint it. Write it. Sketch it. Sculpt it. Sew it. Whatever it. Then, submit it.

# 2 send

us your creation and your \$10 by 9/22/08, or drop them off at participating locations (see [art180.org/ten](http://art180.org/ten) for details.) If you choose not to use the provided template for your art, make sure you still fill out the information and attach it to whatever you make.

# 3 see

your work exhibited and sold along with the other submissions on 10/10/2008. People from all across Richmond will view your artistic vision for change.

# 4 tell

others to send in their own art and their \$10 donation. Help us reach our goal of 1,000 people and together we'll all see true change for a ten.

creates and provides art-related programs to young people living in challenging circumstances, encouraging personal and community change through self-expression.

Flip this over and make your art. If you don't want to use this template, that's okay. Whatever you create, just try to keep it the size of a dollar bill. And don't forget to attach this form and \$10.
